Dear Planters EMC Members:

My name is Grady Lee Reeves. I am a lifelong resident of Jenkins County and member of Planters EMC. I am employed by the United States Department of Agriculture and a small business owner. I have been married to my wife Donna Fennell-Reeves for 19 years and have 5 children. I am the son of the late Robert and Esther Lee Reeves, and brother to Millie and Robert Reeves Jr.

I am a rate payer just like you. I must budget my household and business to include the electric bills each month just as you do. And like you, it gets more and more difficult as time passes.

My interest in becoming a member of the Board of Directors of Planters EMC includes assuring that the lights stay on at the lowest possible cost to us, the consumers. I also want to be a voice for the members of Planters, no matter where you live. I will strive to serve each of you in a fair and impartial manner.

I ask for your vote and support in this important election. Please come out on Thursday, October 21st and vote for Grady Lee Reeves. Due to Covid restrictions, the annual meeting will be a drive-thru meeting from 4:30-7:30pm at the Jenkins County School Campus. Come get \$25 off your next light bill, a nice gift, and let your voice be heard.

I may be reached at 706-466-1115.

Sincerely,

Grady "Lee" Reeves
